I agree to abide by the rules of the Elmwood Village Farmers' Market and understand that a violation may result in suspension or loss of my privilege to sell at the market. I understand that a market representative may verify the information provided on this application by visiting my business. I agree to inform the market of any changes in my production or marketing that affect the validity of the information below.

Signed_____ Date_____

What products will you sell?

List your raw materials/ingredients and the source for each item you plan to sell. List your ingredients in order of volume used, from most to least. State if the materials/ingredients are locally grown or produced.

Describe your production process and the location where it takes place. What do you contribute to the production of the items you sell?
